SUBJECT: CHANGES TO THE ARKANSAS NUCLEAR ONE UNITS 1 AND 2 EMERGENCY PLAN

We have received your letter dated April 7, 1994, which transmitted Revision 18 to the Arkansas Nuclear One Emergency Plan. Revision 18 was submitted pursuant to 10 CFR 50.54(q) and incorporated the following changes: (1) emergency action level criteria changes, (2) agreement letter changes, (3) emergency instruction brochure changes, and (4) administrative changes.

We have reviewed Revision 18 and have determined that the changes are acceptable and do not appear to degrade the effectiveness of your emergency planning at Arkansas Nuclear One.

Should you have any questions concerning this letter, please contact Ms. Gail M. Good at (510) 975-0240.

Sincerely,

Samuel J. Collins, Director
Division of Radiation Safety
and Safeguards
