Dear Mister Hanchett;

This organization applauds the decision of the Commission to make the proceedings of the licensing boards open to cameras.

We feel this a major step in the right direction toward full and open proceedings of all government agencies.

We'd appreciate a report on how the system is working and if there is any way we can be of assistance in furthering the policy.

Sincerely,

A handwritten signature in black ink that reads "Jo Interrante". The signature is written in a cursive style with a long horizontal stroke at the end.
