NOTE FOR ANDREW GOODHOPE, ASLBP

Jan Strasma, Public Affairs Officer in Region-III, has talked with Leon Emert, Superintendent of Maintenance (GSA) for the U.S. Post Office and Federal Building, 100 Northeast Monroe Street in Peoria, Illinois. There is no objection to the use of cameras in Room 247 or elsewhere in the building; in fact, cameras have been used to cover other events in the building from time to time. This means it will be possible to use the Commission's "trial" camera policy in connection with the forthcoming prehearing conference in the Sheffield proceeding. Jan Strasma will be present, at least for the first day, to work with the news media.
