NOTE FOR JIM YORE, ASLBP

Enclosed is a copy of a letter from Jim Hanchett, PAO in Region V, to the Honorable Alfred Goodwin of the U.S. Court of Appeals for the Ninth Circuit--you may have a copy already. Jim also has sent a copy of his letter to Judge Goodwin to Judge Kilkenny. We are advised by Judge Kilkenny's office (Ms. Kopp) that there will be no objection to the use of cameras during the Pebble Springs prehearing conference in Courtroom No. 2 of the Pioneer Courthouse at 555 S.W. Yamhill in Portland on April 11. We will advise you should there be any objection from Judges Goodwin or Kilkenny and ask that you let us know if you have any indication of an objection to the use of cameras during the time the Pebble Springs proceeding is being conducted in this facility. Jim will be there to work with the media.
