NOTE FOR SAM JENSCH, ASLRP

Jim Hanchett, our Public Affairs Officer in Region V, has confirmed, with the appropriate officials, that the Commission's "trial" camera policy may be implemented in connection with NRC proceedings held in the New Federal Building at 915 Second Avenue in Seattle. Accordingly, the "trial" procedures will be in effect for the March 7 resumption of the Skagit evidentiary hearing. Jim will be present, at least for the first day, to work with the media.
