FROM: Joseph D. Lafleur, Jr., Assistant Director for
International Cooperation, IP

SUBJECT: CANCELLED MEETING WITH FRG BABCOCK REPRESENTATIVE

On October 5, 1979, IP scheduled with your offices meetings with Dr. Atakan of Babcock-Brown Boveri (BBR) in the Federal Republic of Germany, who is also a nuclear technician with the German KTA. The meetings had to be cancelled due to conflicts with other staff meetings.

Dr. Atakan has sent a list of questions to NRC through the local BBR representative (enclosed letter of October 12) and is asking NRC to submit answers to these questions. I am sending a copy of the letter to each of you. It seems appropriate that items 1 and 2 be answered by DOR and item 3 by SD.

Please advise Maxine Johnson (49-27788), IP, when your replies can be completed.
