U.S. Nuclear Regulatory Commission, Region I  
Nuclear Material Section B  
631 Park Avenue  
King of Prussia, PA 19406

Attention: Mr. John E. Glenn

Dear Mr. Glenn:

The following is our renewal of License No. 37-03572-06 - SMH, Incorporated. After your review if any questions should arise, please contact me for clarification. Also, enclosed is a check for the renewal fee in the amount of \$460.00, made payable to the United States Regulatory Commission.

Also, I'd like to add we have recently received our inspection report of the June 1987 inspection done on our premises by your Region I team. It was very rewarding to myself and E. E. Steudel to receive a report such as ours. With the help of your immediate staff, Mr. J. Miller and Mr. J. Jenson in particular, we have put our licensing in proper accordance with the NRC Codes and Regulations. It's been a pleasure to deal with your inspection teams in a professional manner and approach to our licensing. We look forward to dealings such as the one this past June for many years to come.

Again, my sincere thanks to you and your Region I staff.

Best regards,

*Thomas E. Deitzler*
