MEMORANDUM FOR: John T. Collins, Deputy Director
Three Mile Island-2 Support

FROM: Richard H. Vollmer, Director
Three Mile Island-2 Support

SUBJECT: CHANGE IN WORK HOURS FOR TMI SUPPORT STAFF

With reference to your note of August 14, I concur that the normal work day for the TMI Support Staff should be cut back to 8 3/4 hours. The Staff has done an outstanding job in trying circumstances and every effort should be made to "normalize" their work situation.
