

JUN 14 1994

DES

Docket No. 50-29

Mr. Jay K. Thayer
Vice President and Manager of Operations
Yankee Atomic Electrical Company
580 Main Street
Bolton, Massachusetts 01740-1398

Dear Mr. Thayer:

The Yankee Atomic Electric Company provided us with a copy of a letter by facsimile on April 22, 1994 that was addressed to your company from the United Government Security Officers of America International Union, dated April 21, 1994. Fifteen issues relating to worker safety, training and security officer assignments were listed within an enclosure to the letter.

We request that the results of your review and disposition of these matters be submitted to Region I within sixty days of the date of this letter. It is not necessary for you to address the issue involving possible misuse of a firearm as it was submitted to you by previous correspondence. We expect that your evaluation of these matters will be thorough, objective, and of sufficient scope and depth to resolve this matter. We request that your response contain no personal privacy, proprietary, or safeguards information so it can be released to the public and placed in the NRC Public Document Room. If necessary, such information shall be contained in a separate attachment, appropriately marked, which will be withheld from public disclosure. The affidavit required by 10 CFR 2.790(b) must accompany your response if proprietary information is included.

The response requested by this letter is not subject to the clearance procedures of the Office of Management and Budget as required by the Paperwork Reduction Act of 1980, Pub. L. 96-511.

If you have any questions concerning this request, please contact our Office Allegation Coordinator, Mr. David Vito, at (610) 337-5222.

Your cooperation with us is appreciated. We will gladly discuss any questions you may have concerning this information.

Sincerely,

Original signed by Wayne D. Lanning

Wayne D. Lanning, Acting Director
Division of Reactor Projects
