Dear Mr. Grobe:

Enclosed is Marquette General Hospital's response, prepared by Dr. Richard Moreland, Radiation Safety Officer, to your special safety inspection of November 29, 1993, and resulting letter of March 15, 1994.

The administration of Marquette General Hospital will monitor the implementation of the corrective actions through our participation in the Radiation Safety Committee and we remain committed to operating in compliance with all NRC requirements.

Sincerely,
