Dear Mr. Holt:

Re.: License No. 13-24621-01
Docket No. 030-18687
Notice of Violation Dated March 15, 1994

This letter is to clarify our response to the referenced Notice of Violation. We are not contesting either violation. Violation No. 1 occurred because we misunderstood what constituted storage secure against unauthorized removal. We have since moved the gauge to another area, as we described in our letter dated March 30, 1994.

If you need any further information, please call me at 317-793-2211, extension 202.

Most sincerely,

Denise K. Vollmer
