Randall Magoon, Radiation Safety Officer
Construction Materials Testing, Inc.
1000 U Detroit Avenue
Concord, California 94518

Dear Mr. Magoon:

Enclosed is an NRC Form 591 which indicates no violations of NRC requirements were noted during our inspection at your job site at the U.S. Post Office in Livermore, California (April 24, 1990) and at your Concord, California office (April 25, 1990). A copy of this form and our report has been sent to the California Department of Health Services.

Also enclosed is an NRC Form 3 ("Notice to Employees"). This form should be displayed for your employees whenever radiography is performed at a federal government facility.

The cooperation of you and your personnel during the inspection was appreciated.

Sincerely,
