Re: **Radioactive Material License #42-27017-01**  
**Amendment Request**

Gentlemen:

We are hereby respectfully requesting an amendment to our above referenced license. We are requesting that the name listed in Item 2 of the application dated January 18, 1990, be changed to "SHB AGRA, Inc." The personnel, equipment and activities have not been altered in any form. The control of the radioactive materials has not changed hands, nor locations. At this time everything else on the license remains unchanged. Enclosed is the \$270.00 amendment fee.

In the enclosed "Reply to Notice of Violation" is an explanation of an amendment package that is being prepared. This package will cover the change in location to a new building that is not yet in the construction stage.

If you require any additional information, please contact me at (915) 585-2472.

Sincerely,

SHB AGRA, Inc.
