Docket Nos. 50-295
and 50-304

Ms. Catherine Quigg, Research Director
Pollution and Environmental Problems, Inc.
P. O. Box 309
Palatine, Illinois 60037

Dear Ms. Quigg:

This letter is sent to acknowledge receipt of the Request for Action Re Zion Nuclear Station dated October 11, 1982, submitted by you to the Nuclear Regulatory Commission on behalf of Pollution and Environmental Problems, Inc. (PEP). Your request principally seeks inquiry into the usage of high burnup nuclear fuel at the Zion Nuclear Power Plant and the ability of the Zion reactor vessels to withstand embrittlement. Although your request was directed to the Director of the Office of Inspection and Enforcement, it has been referred to this office for response and consideration pursuant to 10 CFR §2.206, as the issues raised by your request are generally dealt with by my office. Appropriate action will be taken on your request at a reasonable time.

I enclose for your information a copy of the Notice that is being filed for publication with the Office of the Federal Register.

Sincerely,

Original Signed by
H. R. Denton

Harold R. Denton, Director
Office of Nuclear Reactor Regulation
