FOIA REQUEST

FREEDOM OF INFORMATION  
ACT REQUEST  
FOIA-82-515  
Rec'd 11-1-82

Dear Sirs:

This request is made under the federal Freedom of Information Act.

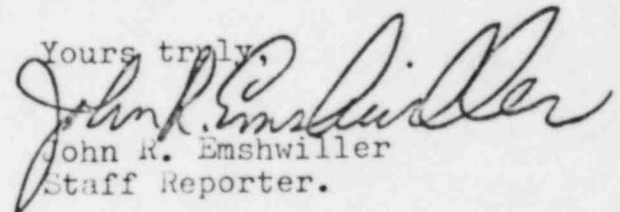

Please send me copies of the documents associated with an investigation of Nuclear Pharmacy Inc by the NRC's Office of Inspector and Auditor and the Office of Inspection and Enforcement. I believe the investigation took place about two years ago. I believe the investigation involved allegations the company violated its license for radiopharmaceuticals for diagnostic use as well as allegations of improprieties by an NRC inspector.

As you know, the FOI Act provides that if portions of a document are exempt from release, the remainder must be segregated and disclosed. Therefore, I will expect you to send me all non-exempt portions of the records which I have requested as soon as possible. I am particularly interested in quickly getting a copy of any final reports done on the matter.

I promise to pay reasonable search and duplication fees in connection with this request. However, if you estimate the total fees will exceed \$50, please call me so that I may authorize any greater expenditure.

As I am making this request in the capacity of a journalist and this information is of timely value, I will appreciate your calling me if you have any questions. You can reach me at 212-285-5122. You may call collect. I look forward to receiving your reply within 10 business days as required by law.

Yours truly,
