IN RESPONSE REFER  
TO FOIA-82-515

Dear Mr. Emshwiller:

This is in response to your letter dated October 26, 1982, in which you requested, pursuant to the Freedom of Information Act (FOIA), copies of documents associated with an investigation of Nuclear Pharmacy, Inc., by the NRC's Office of Inspector and Auditor and the Office of Inspection and Enforcement. This confirms the agreement made between you and Ronald Smith during a telephone conversation on November 10, 1982.

At a date mutually convenient for you and Mr. Smith, the Office of Inspector and Auditor will make the records in files that office maintains on the subject investigation, which include additional pertinent records created by the Office of Inspection and Enforcement and other staff offices, available for your inspection only. If you wish copies of any records you inspect, we will provide copies of those records, excluding any information exempt under provisions of the FOIA, at a later date.

We understand that you will telephone Mr. Smith, (301) 492-4454, on November 19, 1982, or during the week of November 22 to schedule your visit to inspect these records.

Sincerely,

J. M. Felton, Director  
Division of Rules and Records  
Office of Administration
