TO: Larry Martin, Kathy Ogle, and Paula Schmitt diel.

FROM: Gary Beach, Review and Analysis Supervisor *GB*

Ken Calvin from the NRC would like to meet with you on October 20th here in our office to share technical findings on the following projects:

1. RME - 9 - mile - restoration of acid patterns 1-3.
2. Reno Creek - restoration of pattern 1 and 2.
3. Minerals Exploration restoration.

Will you please plan to be available so you can discuss the ^{status} ~~dates~~ of your review on these projects. By this memorandum I have also invited WCO participation, if they desire. I will be gone on the 20th so Bill will ramrod these meetings.
