Sacramento Municipal Utility District  
ATTN: Mr. John J. Mattimoe  
Assistant General Manager and  
Chief Engineer  
P. O. Box 15830  
Sacramento, California 95813

Gentlemen:

On October 20, 1982, I issued an Order Imposing Civil Monetary Penalties to the Sacramento Municipal Utility District which provided that either the civil penalties be paid within thirty days of the date of the Order or that a hearing on the Order be requested. On November 23, 1982, you submitted a Request for Reconsideration of the Order Imposing Civil Penalties stating that sufficient consideration was not given to your prompt reporting and prompt, comprehensive corrective actions as mitigating factors in assessing the civil penalties.

As to the specified time within which the penalties must be either paid or a hearing requested, I am enclosing an Order extending the time limit until thirty days following the issuance of a decision on your Request for Reconsideration.

Sincerely,

\*Original Signed By
