Subject: SERVICE OF PLEADINGS ON NRC STAFF

Over the past several months there have been a number of instances where the NRC Staff has not received pleadings to which it is entitled to respond. This may be due to the fact that some parties have been serving their pleadings on James R. Tourtellotte, Esq., Office of the Executive Legal Director. Please be advised that Mr. Tourtellotte, who for the past year has been Chairman of the Commission's Regulatory Reform Task Force, is no longer assigned to the TMI-1 case. Accordingly, service upon the NRC Staff should be made by serving a copy of all pleadings upon:

Joseph R. Gray
Office of the Executive Legal Director
U.S. Nuclear Regulatory Commission
Washington, DC 20555

It is hoped that service in the above manner will result in timely receipt by the Staff of all pleadings in this case.

Sincerely,

Mary E. Wagner
