MEMORANDUM FOR: Chairman Palladino
 Commissioner Gilinsky
 Commissioner Ahearne
 Commissioner Roberts
 Commissioner Asselstine

FROM: William J. Dircks, Executive Director
 for Operations

SUBJECT: PROPOSED CIVIL PENALTY ACTION (EA 82-46)

Enclosed are views of Bryon Siegel, the NRR Project Manager, on the pending proposed enforcement action which I sent down to you by memorandum dated June 3, 1982.

Messrs. DeYoung and Collins met with Mr. Siegel and a former Cooper project manager who has views similar to Mr. Siegel. We remain of the view that an aggressive action is warranted.

We do not intend to take further action on this matter until we have received your response to my June 3rd memorandum.

(Signed) William J. Dircks
