OFFICE OF SECRETARY  
DOCKETING & SERVICE  
BRANCH

Dear Ms. Wilmoth:

Pursuant to pending discovery requests and the Commission Order, CLI-94-04, April 7, 1994, we made available for review and copying the exhibits attached to the OI report on OI Case No. 2-90-020R, the investigation of the reporting of diesel generator starts following the site emergency at the Vogtle site on March 20, 1990. For your convenience, we offered to allow you to take the voluminous set of exhibits to your office for review and copying. We made a similar offer to counsel for the Licensee.

The Licensee accepted the offer and after reviewing the documents returned them. You also accepted our offer and on May 1, 1994, you came to our offices, took the documents and informed me that you would try to have the documents copied overnight and would return them. At the depositions last week in Atlanta, Georgia, Charles Barth reminded Mr. Michael Kohn that the borrowed OI exhibits needed to be returned to the Staff. As of this date, you have not returned our set of documents.

Therefore, I am writing to you requesting that your law firm return to the Office of the General Counsel at White Flint, the exhibits to the OI report which you borrowed on May 1, 1994.

Your immediate attention to this matter would be greatly appreciated.

Sincerely,

*Mitzi A. Young*
