APPENDIX A NOTICE OF VIOLATION

Consolidated NDE, Inc. Woodbridge, New Jersey 07095

Docket No. 030-20787 License No. 29-21452-01

As a result of the inspection conducted on April 25, 1990, and in accordance with the "General Statement of Policy and Procedure for NRC Enforcement Actions," 10 CFR Part 2, Appendix C (Enforcement Policy) (1990), the following violation was identified:

- A. Condition 17 of License No. 29-21452-01 requires that licensed material be possessed and used in accordance with statements, representations and procedures contained in the application received on August 15, 1983, and a letter dated May 9, 1985.
 - 1. The Operating and Emergency Procedures, Section I, page 1, paragraph C and page 4, paragraph C and D require that one of two options be utilized to establish a restricted area. The options permitted include roping the area off at the two millirem per hour distance or utilizing charts provided in Section III of the application to establish the boundaries of the restricted area.

Contrary to the above, on April 25, 1990 at an East Vineland, New Jersey field site the Licensee's radiographer did not rope off the restricted area at the 2 millirem per hour distance and did not establish a restricted area as indicated on the charts provided in Section III.

This is a Se grity Level IV violation. (Supplement VI)

Pursuant to the provisions of 10 CFR 2.201, Consolidated NDE, Inc., is hereby required to submit a written statement or explanation to the U.S. Nuclear Regulatory Commission, ATTN: Document Control Desk, Washington, D.C. 20555 with a copy to the Regional Administrator, Region I within 30 days of the date of the letter transmitting this Notice of Violation (Notice). This reply should be clearly marked as a "Reply to a Notice of Violation" and should include for each violation: (1) the reason for the violation, or, if contested, the basis for disputing the violation, (2) the corrective steps that have been taken and the results achieved, (3) the corrective steps that will be taken to avoid further violations, and (4) the date when full compliance will be achieved. If an adequate reply is not received within the time specified in this Notice, an order may be issued to show cause why the license should not be modified, suspended, or revoked, or why such other action as may be proper should not be taken. Where good cause is shown, consideration will be given to extending the response time.
