Dear Mr. Griffin:

Enclosed please find a letter from Mitsui and Co. (U.S.A.), Inc. requesting an amendment to export license application XSNM01986 to decrease the quantity of uranium-235 requested for export from 29.15 grams to 19.71 grams.

Please advise the Embassy of Japan of this change and request that the letter of assurance reflect the decrease in uranium-235. Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read "James V. Zimmerman".
