Affairs  
Department of Energy  
Washington, D.C. 20585

Dear Mr. Griffin:

Enclosed is a letter from Transnuclear Inc. requesting an amendment to export license XSNM01898 to increase the quantity of material authorized for export by an additional 27.593 kilograms uranium, containing 0.258 kilograms uranium-235 (1.43 percent enriched). The material is in the form of "heels" contained in cylinders being returned to Cogema for cleaning.

Your assistance in obtaining the necessary assurance letter will be appreciated.

Sincerely,

James V. Zimmerman, Assistant Director  
Export/Import and International Safeguards  
Office of International Programs
