SUBJECT: ACCEPTANCE REVIEW OF THE MARBLE HILL - 1/2
ENVIRONMENTAL REPORT

The purpose of this memorandum is to request your assistance in performing the acceptance review of the Marble Hill - 1/2 Environmental Report (ER-OL). On November 26, 1982, Public Service Company of Indiana tendered an operating license application for Marble Hill - 1/2. This application included the ER-OL. Copies will be distributed following processing through the Document Control System. If you have not received a copy by December 9, 1982 please have your reviewers call the project manager, Beth Doolittle (ext.: 27134).

Please forward the results of your acceptance review by January 14, 1983. If you identify additional information that will be required for your detailed review, this should be described in the format of requests for additional information using the NRC staff numbering system that identifies the cognizant branch/section and the number of each request from that branch/section. All requests for additional information from your review should be submitted to T. Novak from your AD or B. J. Youngblood from you as is done in the safety review.

Please inform Beth Doolittle if you will be unable to complete your acceptance review by January 14, 1983.
