

UNITED STATES
NUCLEAR REGULATORY COMMISSION
REGION III
799 ROOSEVELT ROAD
GLEN ELLYN, ILLINOIS 60137

JAN 07 1991

Docket No. 50-263

Northern States Power Company
ATTN: Mr. L. R. Eliason
Vice President, Nuclear
Generation
414 Nicollet Mall
Minneapolis, MN 55401

Gentlemen:

This confirms the discussion between Mr. S. Ray of this office and Mr. D. Antony of your staff to have a management meeting at 10 a.m. (CST) on January 25, 1990, at the Region III office in Glen Ellyn, Illinois. The purpose of this management meeting is to discuss the recent corporate reorganization, the Design Basis Configuration Management Program, security improvements, and other matters of general interest.

We will gladly discuss any questions you may have concerning this matter.

Sincerely,

Hubert J. Miller, Director
Division of Reactor Projects

cc: D. D. Antony, General Manager
