RE: NRC Inspection Report #52-23093-01/94-01

Dear Sirs:

On April 28 1994 we received a letter from you requesting a reply to a Notice of Violation from an NRC Inspection conducted on March 22 1994. At this time we are requesting your consideration for an extension to respond. Due to the amount of violations, we will need more time than required by you.

We believe that an additional 30 days will give us time to complete this reply.

Sincerely,

Carlos Guerra Santiago, M.D.
