OFC of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Attention: Document Control Desk
Washington, D.C. 20555

In accordance with 10CFR550.74(a) this letter is notification to the commission that the following person has been permanently reassigned to duties which no longer require an NRC license.

Mr. Paul H. Dohm

Docket No. 55-30092

Effective the date of this letter, the above person relinquishes his license.

Sincerely,

Gary F. Spedl
Station Manager
Dresden Station
