Dear Mr. Mobley:

This is in response to your letter of May 24, 1994 in which you requested that NRC provide a copy of the Health Physics Data Base to the Agreement States as part of the NRC/Agreement State Exchange of Information Program. This software along with the REMIT code and a data base of the first seven sets of questions and answers on Part 20 were sent to all of the Agreement States on June 21, 1994.

If you have any further suggestions, I would appreciate hearing from you.

Sincerely,

**Original Signed By**
