Dear Mr. Carr:

I am writing to you on behalf of my constituent, Mr. Robert Henry, who has enlisted my assistance.

It is my understanding that Mr. Henry would like more security around nuclear plants to prevent terrorist attacks. Accordingly, I would like to take this opportunity to express my interest on behalf of my constituent and to request that this case be reviewed as expeditiously as possible.

Thank you for your cooperation in this regard. I will look forward to hearing from you at your earliest opportunity.

Cordially,

Mr. Henry is concerned about the lack of security around TMI as well as nuclear plants nationwide. A terrorist could easily get in and blow such a plant up. The result would be chaos. There ought to be a perimeter defense set up at every facility. He feels ~~ROW~~ ought to at least bring atattention to this situation.
