

UNITED STATES OF AMERICA
NUCLEAR REGULATORY COMMISSION
BEFORE THE COMMISSION

In the Matter of : Docket No. 50-358-0L
:
:
THE CINCINNATI GAS & ELECTRIC : MEMORANDUM OF INTERVENOR
COMPANY, et al. : DAVID FANKHAUSER IN SUPPORT
: OF PETITION BY INTERVENOR
: ZIMMER AREA CITIZENS-ZIMMER
(Wm. H. Zimmer Nuclear Power : AREA CITIZENS OF KENTUCKY AND
Station) : CITY OF MENTOR, KENTUCKY, FOR
: FOR THE APPOINTMENT OF A
: CONSULTING FIRM NOMINATED BY
: INTERVENORS TO REVIEW AND
: MONITOR THE THIRD-PARTY AUDIT

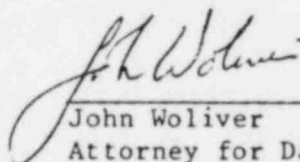

On November 19, 1982, a Joint Petition was filed by Intervenor Zimmer Area Citizens-Zimmer Area Citizens of Kentucky and Intervenor City of Mentor seeking the appointment of a consulting firm nominated by Intervenor David Fankhauser supports that petition for the reasons set forth in the November 19, 1982, Petition and further states the following.

Since March 19, 1976, when the Atomic Safety And Licensing Board granted Dr. David Fankhauser intervenor status, his concern and involvement with safety and environmental related issues in this proceeding are a matter of record. Without a reiteration of the events of the past two years which are documented in the Commission's Order of November 12, 1982 and the November 19, 1982, Petition, it is clear that the situation to be investigated by an audit of the

DS03

alleged deficiencies at the Zimmer plant is critical. Pursuant to Section IV(B)(1) of the November 12, 1982 Order, an independent review of the licensee's management of the Zimmer project will be had to determine measures needed to insure that construction of the Zimmer plant can be completed in conformance with the Commission's regulations and construction permit. It is submitted that the intervenors sponsoring the November 19, 1982, Petition and Intervenor Fankhauser, by virtue of their intervention status in the licensing proceedings, have a very real and legally recognizable interest in all activities related to Section IV(B)(1) of the Commission's Order. For these intervenors to participate meaningfully in this process, the Commission must issue an order which establishes such participation on an on-going basis as suggested by the November 19, 1982 Petition.

Respectfully submitted,

John Woliver
Attorney for David Fankhauser
