Mr. Charles MacDonald, Chief  
Transportation Branch  
U.S. Nuclear Regulatory Commission  
Washington, D. C. 20555

Subject: Model No. HN-100 Series 3A Packaging  
Docket No. 71-9151

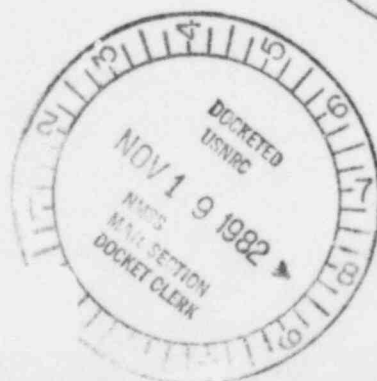

Dear Mr. MacDonald:

The information requested by your letter FCTC:RHO, 71-9151, dated October 18, 1982, will be submitted no later than November 30, 1982. Pursuant to our November 12, 1982 meeting, the application is being revised to continue the operation of these packages at the weight specified in Certificate of Compliance Number 9079.

Very truly yours,

Charles W. Mallory  
Vice President, Engineering
