Public Service Company of Colorado  
P. O. Box 840  
Denver, Colorado 80201

Attention: Mr. Oscar R. Lee  
Vice President, Electric Production

Gentlemen:

The report number for safeguards inspection conducted October 25, 1982 at General Atomic Company, San Diego, California relative to activities authorized by NRC License No. SNM-696 at Oak Ridge, Tennessee and San Diego, California was erroneously identified as 99990080/82-06. The correct number is 99990080/82-07. Please replace the report cover sheet on the originally issued inspection report with the corrected cover sheet which is attached.

Sincerely,

Original signed by
