Reference: Facility Operating License No. NPF-86, Docket No. 50-443

Subject: 10 CFR 50.54(cc) Notification

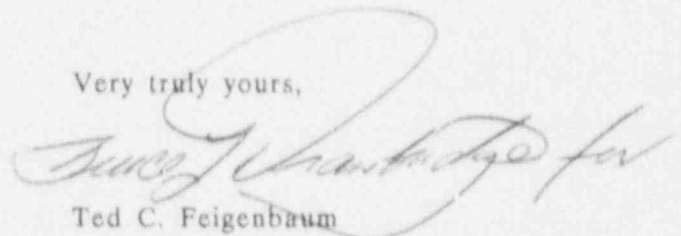

Gentlemen:

Pursuant to the requirements of 10 CFR 50.54(cc), please be advised that on February 28, 1991 EUA Power Corporation, one of the twelve licensees of Seabrook Station, filed a voluntary petition for relief under Chapter XI of Title 11 of the United States Code. This petition was filed in the United States Bankruptcy Court for the District of New Hampshire. The company will continue to operate its business as debtor in possession under supervision of that court.

We are informed by EUA Power Corporation that the filing was primarily for the purpose of obtaining relief from interest payments accruing on its outstanding Series B and Series C Secured Notes and that the company has every expectation of continuing to meet its obligations under the Seabrook Joint Ownership Agreement.

We will continue to keep you informed of developments as they occur. Should you have questions regarding this information, please contact Mr. Terry L. Harpster, Director of Licensing Services, at (603) 474-9521, extension 2765.

Very truly yours,

Ted C. Feigenbaum
