Division of Fuel Cycle and Material Safety  
U. S. Nuclear Regulatory Commission  
Washington, D. C. 20555

Dear Mr. MacDonald,

AWC, Inc. respectfully requests that it be registered under the general license provisions of 10CFR 71.12 (b) as a user of the following shipping packages:

1. Nuclear Engineering Company Model B-2; Certificate of Compliance No. 6144; package identification No. USA/6144/B().
2. General Electric Company Model GE-1600; Certificate of Compliance No. 9044; package identification No. USA/9044B()F.

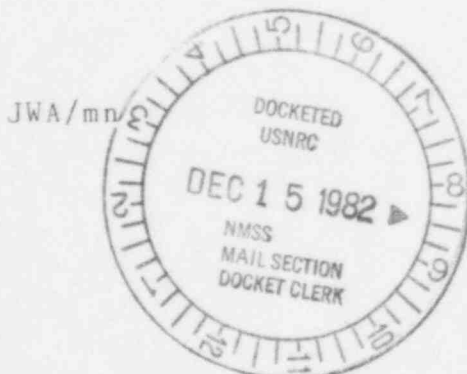

In compliance with 10 CFR 71.12(b), AWC, Inc. already has a copy of both Certificates of Compliance No. 6144 and No. 9044; and AWC, Inc. will comply with all terms and conditions of the Certificate as applicable. AWC, Inc. has a Radioactive Material License No. 00-16-0112 with the State of Nevada. As required in 10CFR 70.12(b)(1)(iii), AWC, Inc. will notify the NRC in writing prior to its first use of either shipping package.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in cursive that reads "James W. Ayres".

James W. (Bill) Ayres
