Change of Addressee to NRC Safeguards Distribution Lists
for the Monticello and Prairie Island Nuclear Generating Plants

Northern States Power (NSP) requests that you modify the distribution lists utilized by NRC personnel for the transmittal of documents containing safeguards information as specified below. These changes are requested in order to ensure proper dissemination of the necessary information internal to NSP and to minimize the handling of documents containing safeguards information.

It is requested that all correspondence transmitting safeguards information, pertaining to the Monticello Nuclear Generating Plant, Docket 50-263 be transmitted to:

Security Superintendent
Monticello Nuclear Generating Plant
Northern States Power Company
2807 West County Road 75
Monticello, MN 55362-9637

We also request that the addressee for decontrolled copies of documents that are associated with safeguards information being transmitted to the Site General Manager, Monticello Nuclear Generating Plant be modified to:

Site General Manager, MNGP
Attn: Site Licensing
Northern States Power Company
2807 West County Road 75
Monticello, MN 55362-9637

Correspondence transmitted to Mr Roger O Anderson at our corporate offices should not contain safeguards information. We also understand that Mr Ron Brevig of our Monticello staff is currently on your distribution list for safeguards information. Mr Brevig may be removed from your distribution list for Monticello safeguards related information.

We appreciate your assistance in this matter. This letter contains no new NRC commitments, nor does it modify any prior commitments.

Please contact Marv Engen, Sr Licensing Engineer, at (612) 295-1291 if you require further information.
