Revised Addressee List for NRC Publications

Gentlemen:

Please find attached a revised list of Baltimore Gas and Electric Company (BGE) addressees for all NRC standard publications. The revised list eliminates many addressees where the mailing of publications to BGE was redundant. The distribution of additional copies of NRC documents will be handled internal to BGE, as necessary.

We request that your current list of BGE addressees be discarded and replaced in its entirety with the attached list.

Should you have any further questions regarding this matter, we will be pleased to discuss them with you.

Very truly yours,

RED/BSM/dlm
