Houston, Texas 77001

Gentlemen:

This refers to the inspection conducted by Mr. W. M. Hill and other members of our staff during November 1982, of activities authorized by NRC Construction Permits CPPK-128 and 129 for the South Texas Project, Units 1 and 2, and to the discussion of our findings with members of your staff at the conclusion of the inspection.

Areas examined during the inspection and our findings are discussed in the enclosed inspection report. Within these areas, the inspection consisted of selective examination of procedures and representative records, interviews with personnel, and observations by the inspectors.

Within the scope of the inspection, no violations or deviations were identified.

Four new unresolved items are identified in paragraphs 3 and 8 of the enclosed report.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure will be placed in the NRC Public Document Room unless you notify this office, by telephone, within 10 days of the date of this letter, and submit written application to withhold information contained therein within 30 days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1).
