MEMORANDUM FOR: Those on Attached List

FROM: R. M. Kenneally
Mechanical/Structural Engineering Branch
Division of Engineering Technology, RES

SUBJECT: STATUS OF SONGS I AFWS PROJECT FOR THE MONTH OF
NOVEMBER 1981

Enclosed is the November 1981, monthly management letter for the SONGS I AFWS project of the SSMRP. This project is being conducted by RES for the SEP Branch of NRR.

Monthly management letters provide a status overview of the project and include estimated costs. All monthly management letters for this project of the SSMRP will be circulated for your review.

RES is awaiting a reply to their November 27, 1981, memorandum from G. A. Arlotto to D. G. Eisenhut. This memorandum identified a slippage in the SONGS project due to additional work imposed on SCE/Bechtel by NRR and proposed alternatives that could reduce this slippage.

Should any questions or problems arise with regard to this project, please do not hesitate to call me.
