Dear Ms. Stein:

This refers to the meeting held at your Geneva, Ohio office on February 15, 1991, between Messrs. William Schultz and Wayne Slawinski of my staff and you and other members of the Advanced Medical Systems' staff. The meeting was conducted to discuss the status of outstanding radiological and administrative issues and their impact on the resumption of NRC licensed activities and future operations at your London Road facility. We appreciate your cooperation in bringing these issues to closure.

We have enclosed a report summarizing the matters discussed during the meeting. No response to this report is required at this time. If you have any comments or corrections to the enclosed report, please call me.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosure will be placed in the NRC Public Document Room. We will gladly discuss any questions you have concerning this meeting.

Sincerely,

John A. Grobe, Chief
Nuclear Materials Safety Branch
