Washington, DC 20555

Gentlemen:

Subject: Renewal Application for Byproduct Material License #21-14973-01,
Program Code #03120, License Expiration Date 01/31/77

Please find attached, 2 copies of form NRC-313 to renew Byproduct Material
License #21-14973-01.

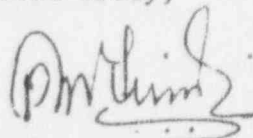

This renewal application also includes one amendment as follows:

Item #1: The present licensee, Michigan Chemical Corporation, will merge
with Velsicol Chemical Corporation and assume that name effective
January 1, 1977.

Please contact me if there are any questions or need for additional infor-
mation pertaining to this license.

A license fee of \$50.00 is attached to cover the "3L category" of this
license. Thank you.

Yours truly,

P. M. Trivedi
Supervisor
