MEMORANDUM FOR: Eric S. Beckjord, Director  
Office of Nuclear Regulatory Research

FROM: Patricia G. Norry, Director  
Office of Administration

SUBJECT: OFFICE CONCURRENCE ON PROPOSED RULE ENTITLED  
"CODES AND STANDARDS FOR NUCLEAR POWER PLANTS;  
SUBSECTION IWE AND SUBSECTION IWL"

The Office of Administration concurs, subject to the comments provided, on the proposed rule package that amends regulations governing industry standards used to design containments as stated in 10 CFR Part 50. We have attached a marked copy of the proposed rule package that presents our comments.

Please note that the proposed rule may not be submitted for signature and publication until the clearance package requesting review and approval of the amended information collection requirements has been forwarded to the Office of Management and Budget.

If you have any questions, please contact Alice Katoski, 492-7928, or Michael Lesar, 492-7758, Division of Freedom of Information and Publications Services.
