

March 20, 1991

The Honorable Jim McCrery  
United States House of Representatives  
Washington, D. C. 20515

Dear Congressman McCrery:

In the Nuclear Regulatory Commission's (NRC) response to your inquiry on uranium enrichment regulation last year, which was in connection with the March 6, 1990, hearing conducted by the House Subcommittee on Energy and the Environment, we stated that we would provide you with an NRC report on the chemical toxicity of uranium hexafluoride when it became available. The report has just recently been published, and a copy of the report, NUREG-1391, is enclosed for your information.

Sincerely,  
(original signed by)
