

JAN 28 1983

Docket No. 50-416

Mississippi Power & Light Company  
ATTN: Mr. James P. McGaughy, Jr.  
Assistant Vice President -  
Nuclear Production  
Post Office Box 1640  
Jackson, Mississippi 39205

Gentlemen:

We have completed a review of certain applications for license amendments which your Company filed with the Office of Nuclear Reactor Regulation (ONRR) for the Grand Gulf Nuclear Station Unit No. 1. The purpose of this review was to determine what fees pursuant to 10 CFR 170.22, if any, are due the USNRC and what refunds might be due your Company for these applications. In this connection, enclosed is a list which shows the application dates, fees paid, fees that are applicable, and ONRR's fee determination on each of these applications.

Based on the ONRR staff's fee determinations, a total of \$800 is due the USNRC; therefore, your Company should remit this amount to our office. If the ONRR staff's final review of Item 4 reveals that the Class II (\$1,200) fee is not correct, you will be notified and any necessary adjustments will be made.

Sincerely,

Original Signed by  
Wm. O. Miller
