RE: License SMB-743, Docket No. 40-7102 (Newfield, NJ)
License SMB-1507, Docket No. 40-08948 (Cambridge, OH)

Dear Mr. Glenn:

As part of the ongoing reorganization of Shieldalloy Metallurgical Corporation (SMC) there have been some personnel changes. SMC's current President, Steven Rappaport, who is located in New York City, no longer functions in that capacity for the company.

Mr. H. Nils Schooley is the new President of SMC and is based in Newfield.

Because of these changes, Mr. Robert Swenson will no longer have overall responsibility for SMC's Radiation Protection Program. Effective immediately this responsibility for both the Newfield, NJ and the Cambridge, OH facilities is transferred to Mr. Schooley. Please change your records to reflect this change. Thank you.

H. Nils Schooley
President
Shieldalloy Metallurgical Corp.
