NRC Distribution List for Safeguards-Related Correspondence

Gentlemen:

Please be informed that as the result of an organizational change that became effective on April 1, 1991, our Nuclear Security organization was transferred from the General Services Division to the Nuclear Support Services Department within the Nuclear Energy Division. Accordingly, we request that you change the designated addressee for all NRC safeguards-related correspondence from Mr. G. Dowell Schwartz, Jr. to Mr. G. C. Creel, Vice President-Nuclear Energy. In addition, please make the additional changes to the NRC distribution list for safeguards correspondence as indicated on the attached markup.

Should you have any further questions regarding this matter, we will be pleased to discuss them with you.

Very truly yours,

GCC/BSM/hjd
