MEMORANDUM FOR: James R. Tourtelotte, Chairman
Regulatory Reform Task Force

FROM: Darrell G. Eisenhut, Director
Division of Licensing

SUBJECT: BACKFITTING IMPACT COSTS

I am in receipt of your January 17, 1983 memorandum on Backfitting Impact Costs. Our initial review indicates that the February 1, 1983 requested deadline cannot be met. Based on a discussion with you by a member of my staff on January 25, 1983 it is our understanding that you have no objection to extending this deadline. Our best estimate is that we can complete the action by March 4, 1983. We will proceed to meet this deadline.
