February 18, 1983

Director of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
1717 H Street, N.W.
Washington, D.C. 20555

Dear Sir:

Please consider the following information as an application for a reactor operator's license:

Name: Martha Heinzmann
Address: 38560 MacIntosh Ct.
Mt. Clemens, MI 48043
Age: 19 years old
Citizenship: United States
Education: Sophomore, Chemical Engineering Student
Present Employment: Nuclear reactor trainee, Division of Engineering Research,
Michigan State University, East Lansing, MI 48824

I have worked in the nuclear reactor since September, 1982. My responsibilities include becoming familiar enough with this specific facility to be sufficiently prepared to become a licensed reactor operator.

Specific Facility: Michigan State University
Triga Mark I Reactor
East Lansing, MI

Facility License: R-114

Sincerely,

Martha Heinzmann

Martha Heinzmann
