SUBJECT: Waterford SES 3 [Docket No. 50-382]
Security Planning

Reference: Letter from the NRC to LP&L dated July 15, 1982

Gentlemen:

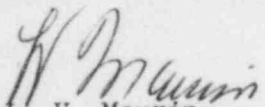

Enclosed find six (6) copies of Revision 7 to the Physical Security Plan for Waterford 3 Steam Electric Station. These changes are submitted in response to NRC comments on the Plan which were forwarded to Louisiana Power & Light Company by NRC reviewer personnel. In addition, we have initiated other changes to the Plan to assure that it comports with recent organizational and procedural changes in the Waterford security program.

Enclosure 1 to this letter contains our response to the aforementioned NRC comments and describes other changes initiated by LP&L. Enclosure 2 is the revised Plan.

The enclosures hereto should be handled as Safeguards Information, in accordance with 10CFR73.21.

If there are any questions, please do not hesitate to contact us.

Very truly yours,

L. V. Maurin
Vice President
Nuclear Operations
