WORKSHOP ON THE NUCLEAR REGULATORY COMMISSION  
SITE DECOMMISSIONING MANAGEMENT PLAN

*FINAL RADIOLOGICAL SURVEYS AT DECOMMISSIONING SITES*

LOCATION: Holiday Inn Crowne Plaza, Rockville, MD

DATE: June 1, 1994

TIME: 8:30 a.m. - 5:00 p.m.

KEYNOTE SPEAKER: *Ivan Selin, NRC Chairman*

The Nuclear Regulatory Commission is hosting a workshop on the requirements for final radiological surveys for decommissioning sites listed in the Site Decommissioning Management Plan (SDMP). In addition to final survey requirements, the workshop will address a number of general topics related to the regulatory oversight of SDMP sites. The keynote speaker will be NRC Chairman Ivan Selin. An agenda for the workshop is enclosed. The workshop will be held on June 1, 1994, at the Holiday Inn Crowne Plaza (brochure enclosed) from 8:30 a.m. to 5:00 p.m..

The purpose of final radiological surveys is to demonstrate that the unrestricted use limits have been met for a given site and to support the termination of the license for the site or, if no license exists, to support the release of the site for unrestricted use. This workshop will provide SDMP site owners and other interested parties with detailed information regarding NRC requirements and guidance for final survey plans, final survey reports, and confirmatory surveys. The session covering general topics will provide NRC's perspective on a number of issues affecting the decommissioning of SDMP sites and will provide attendees with an opportunity to discuss with NRC any general or specific issues affecting the decommissioning of a particular site.

This announcement also serves as notice of availability of Revision 3 of the SDMP which was published as NUREG-1444, "Site Decommissioning Management Plan." A copy of NUREG-1444 can be purchased from the Government Printing Office by calling (202) 512-2249.

If you need additional information, please call David N. Fauver at (301) 504-2554 or Timothy C. Johnson at (301) 504-3603. If you plan on attending the workshop, please register with Mr. Fauver by writing or by telephone before May 20, 1994. However, registration at the workshop will also be accepted.

Your participation is encouraged.
